

IAG/AIG Working Group on *small* CATCHMENTS

Invitation

It is my privilege to cordially invite you to participate in the Small Catchments programme authorised at the Saragossa IAG/AIG International Conference on Geomorphology, 2005. You can find details of programme at our website <http://www.geomorph.org/wg/wgsc.html>.

If you decide to join the programme, please submit the following data: first name, surname, degree, research institution, address, telephone number, e-mail, and a few sentences about physical-geographic characteristics of your catchment.

I would be greatly obliged if you sent a response to this invitation.

For those of you who decide to accept our proposal, we are organising the International Seminar on Small Catchments, on April 21-23, 2008 at the Environmental Monitoring Station on Biala Gora (*White Mountain*) near Miedzzydroje in north-western Poland on Wolin Island (the nearest airport is at Goleniów - 70 km from the venue, passenger ferry harbour in Świnoujście - 15 km, and railway station at Międzydroje - 3 km). The meeting will be devoted to the following problems:

- organisation of a measuring system,
- methodology of small catchment monitoring, and
- analysis of results and research programmes.

Persons interested in the seminar are kindly asked to register by 15 March 2008.

With best regards,
Andrzej Kostrzewski
Chair of the IAG/AIG WG SC

Registration fees:

100 €

The payment should be made before March 30, 2008 via **bank transfer** payable to:
Stowarzyszenie Geomorfologów Polskich, Dziegielowa 27, 60-680 Poznań, Poland
bank account number IBAN:

65 1090 1359 0000 0000 3501 8623

Bank Zachodni WBK S.A. III O/Poznań

specifying the following: *Seminar Wolin*.

Note: all banking fees should be settled by the remitter.

Late payments will include a 20% surcharge.

Deadlines:

Registration – March 15, 2008

Payment transfer – March 30, 2008

Abstract submission – March 30, 2008
