

CALL for IAG GRANTS

7th International Conference on Mars Polar Science and Exploration Ushuaia, Argentina, 13-17 January 2020.

The International Association of Geomorphologists offers **2 grants of 500 euros** to favour the participation of **Young Geomorphologists* (Planetary Geomorphologists)** from **Latin America but not mainly based in Argentina** in the **7th International Conference on Mars Polar Science and Exploration** organized by the Planetary Science Institute- York University and the Space Research and Planetary Sciences-University of Bern, among others, with the support of the Centro Austral de Investigaciones Cientificas (CADIC-CONICET).

Secondly, the call is extended to other **YGs* (Planetary Geomorphologists)** from the **National Members of IAG with a regular position** (payments of annual fees).

Applications from candidates who already achieved one or more IAG grants totalling 500 euros or more in the past 3 years will not be eligible.

The Conference is the latest in a continuing series of conferences intended to promote the exchange of knowledge and ideas regarding the polar regions of Mars. This group is international and interdisciplinary, and welcomes any interested scientist with relevant theoretical, experimental, or field experience. The focus will also be on terrestrial analogs that can enhance the interpretation of remote sensing data from Mars, and on concepts for future missions.

For further information on the Congress, please visit:

<https://www.hou.usra.edu/meetings/marspolar2020/>

Applicants (with a specific interest in Planetary Geomorphology to be proved by their CV) are requested to submit the following files **before 15 November 2019**:

- Application form (see below);
- Short CV (maximum 2 pages long), including up to 10 papers;
- Abstract submitted (or to be submitted) to the Conference

The above mentioned documents should be submitted to the IAG grant office at iaggrantoffice@gmail.com (please specify IAG Grant – MarsPolar2010) in the subject of the accompanying e-mail).

The selection of candidates will be carried out by a Commission appointed by the IAG Executive Committee. For further information on the IAG Grants, feel free to contact the IAG Training Officer.
