

Presentation Schedule - IAG Webinar for North America and Costa Rica

	Times				Affiliation(s)
	EST	CST	Mtn	PST	
Preliminary Introductions					
	11:50	10:50	09:50	08:50	Professor Mauro Soldati IAG President
Research Presentations:					
Coastal Geomorphology					
1	12:00	11:00	10:00	09:00	Eva Kwooll U. Victoria <i>Morphodynamics of a bedrock-confined estuary along active continental margins</i>
2	12:20	11:20	10:20	09:20	Paula Marcela Pérez-Briceño U. de Costa Rica <i>Coastal Erosion Index in the Pacific Coast of Costa Rica, Central America</i>
Cryosphere, Soils, Planetary, Volcanism, and Hazards Geomorphology					
3	12:40	11:40	10:40	09:40	Michel Paquette Montreal Permafrost Info Network <i>Periglacial and cry-conditioning considerations for polar desert slopes</i>
4	13:00	12:00	11:00	10:00	Jon-Paul P McCool Valparaiso Univ <i>Disentangling the Nilotic Soilscape during the African Humid Period.</i>
5	13:20	12:20	11:20	10:20	Makenzie Day UCLA <i>Dunes on Earth and Mars: Morphological and stratal similarities across planets</i>
6	13:40	12:40	11:40	10:40	Sebastián Granados-Bolaños U. de Costa Rica <i>Low-cost UAV applications in tropical geomorphology</i>
7	14:00	13:00	12:00	11:00	Adolfo Quesada-Román U. de Costa Rica <i>Geomorphological effects of tropical cyclones in Costa Rica</i>
Break					
	14:20	13:20	12:20	11:20	<i>Grab a snack</i>
Fluvial					
8	14:50	13:50	12:50	11:50	Quinn Lewis U. Waterloo <i>Chute Cutoffs, Neck Cutoffs, and why the Difference Might Not Matter</i>
9	15:10	14:10	13:10	12:10	Kory Konsoer LSU Coastal Studies Inst. <i>Neck cutoff on meandering rivers and the importance of channel curvature</i>
10	15:30	14:30	13:30	12:30	James Dietrich Univ N. Iowa <i>High-resolution geomorphic change detection in fluvial environments</i>
11	15:50	14:50	13:50	12:50	Katherine B. Lininger U Colorado Boulder <i>Biogeomorphic controls on wood and organic matter loads in floodplains</i>
12	02:10	01:10	00:10	23:10	Melissa Foster Bureau of Reclamation <i>The Bighorn River: Loss of geomorphic diversity and adaptive management opportunities</i>
Co-Organizers			Special Thanks to:		
Jan Franssen, Canada		Adolfo Quesada-Román, Costa Rica		Susan Conway, IAG VP	
Allan James, North America		Louis Scuderi, USA		Marisa C. Palucis, Technical support for Zoom
