

Bibliography of the works of Denys Brunsdon

1960s

- Brunsdon D (1962) The erosion surfaces of the River Dart. *Proc Ussher Soc* 1:35–36
- Brunsdon D (1963) The denudation chronology of the River Dart. *Trans Inst Brit Geogr* 32:49–63
- Brunsdon D (1964) The origin of decomposed granite on Dartmoor. *Dartmoor Essays*. Devonshire Association, pp 97–116
- Brunsdon D, Kidson C, Orme AR, Waters RS (1964) Denudation chronology of parts of south western England. *Field Studies* 2:115–132
- Brunsdon D (1966) The Cook Strait Submarine Power Cable. *Geography* 51:135–138
- Brunsdon D (1968) Dartmoor. Landscapes through Maps 12. *Geogr Assoc*, Sheffield, p 55**
- Brunsdon D (1969) Mystery of the Moeraki and Katiki boulders: *Geogr Mag* 41:839–843

1970s

- Brunsdon D, Gerrard J (1970) The physical environment of Dartmoor. In: Gill C (ed.), *Dartmoor: a new study*. David & Charles, Newton Abbot, pp 21–54
- Brunsdon D (ed) (1971) Slopes, form and process. Institute of British Geographers, Spec Publ 3, London, p 178
- Brunsdon D, Jones DKC (1972) The morphology of degraded landslide slopes in South West Dorset. *Quart J Eng Geol Hydrogeol* 5:205–222
- Brunsdon D, Kesel RH (1973) Slope development on a Mississippi River bluff in historic time. *J Geol* 81:576–598.
- Brunsdon D, Doornkamp JC, Fookes PG, Jones DKC, Kelly JMH (1975) Geomorphological mapping techniques in highway engineering. *Highway Eng* 22(12):35–41
- Brunsdon D, Doornkamp JC, Hinch LW, Jones DKC (1975) Geomorphological mapping and highway design. In: *Sixth Regional Conference for Africa on Soil Mechanics and Foundation Engineering*, Durban, pp 3-9
- Brunsdon D, Doornkamp JC, Fookes PG, Jones DKC, Kelly JMH (1975) Large scale geomorphological mapping and highway engineering design *Quart J Eng Geol* 8:227–253
- Brunsdon D, Jones DKC (1976) The evolution of landslide slopes in Dorset. *Phil Trans Royal Soc London A*283:605–631
- Brunsdon D, Doornkamp JC, Green CP, Jones DKC (1976) Tertiary and Cretaceous sediments in solution pipes in the Devonian Limestone of South Devon, England. *Geol Mag* 113:441–447
- Thornes JB, Brunsdon D (1977) *Geomorphology and Time*. Methuen, London, p 208
- Brunsdon D, Doornkamp JC, Jones DKC (1978) Applied geomorphology: a British view. In: Embleton C, Brunsdon D, Jones DKC (eds) (1978) *Geomorphology: present problems and future prospects*. Oxford University Press, Oxford, pp 251–262
- Board C, Brunsdon D, Gerrard J, Morgan BS, Morley CD, Thornes JB (1978) Leisure and the Countryside: The Example of the Dartmoor National Park In: Blunden J (ed) *Fundamentals of Human Geography: A Reader*. Harper & Row, London, pp 44-52
- Embleton C, Brunsdon D, Jones DKC (eds) (1978) *Geomorphology: present problems and future prospects*. Oxford University Press, Oxford, p 281

- Brunsdon D (1979) Mass movements. In: Embleton C, Thornes J (eds) *Process in Geomorphology*. Edward Arnold, London, pp 130–186
- Brunsdon D (1979) Weathering. In: Embleton C, Thornes J (eds) *Process in Geomorphology*. Edward Arnold, London, pp 73–129
- Brunsdon D, Thornes JB (1979) Landscape sensitivity and change. *Trans Inst Brit Geogr* 4:463–484
- Brunsdon D, Doornkamp JC, Jones DKC (1979) The Bahrain Surface Materials Resources Survey and its application to regional planning. *Geogr J* 145:1–35
- Cooke RU, Brunsdon D, Doornkamp JC, Jones DKC (1979) Problems of sand and dust movement by wind in drylands. Assessment of geomorphological problems in urban areas of drylands. United Nations Press, London
- Doornkamp JC, Brunsdon D, Jones DKC, Cooke RU, Bush PR (1979) Rapid geomorphological assessments for engineering. *Quart J Eng Geol Hydrogeol* 12:189–204

1980s

- Brunsdon D, Jones DKC (1980) Relative time scales and formative events in coastal landslide systems. *Z Geomorph NF Suppl* 34:1–19
- Bush P, Cooke RU, Brunsdon D, Doornkamp JC, Jones DKC (1980) Geology and geomorphology of the Suez region, Egypt. *J Arid Environ* 3:265–281
- Doornkamp JC, Brunsdon D, Jones DKC (eds) (1980) *Geology, Geomorphology and Pedology of Bahrain*. Geo Abstracts Ltd, Norwich, p 443
- Brunsdon D, Goudie AS (1981) *Landform Guides. No. 1: Classic Coastal Landforms of Dorset*. British Geomorphological Research Group and Geographical Association, Sheffield, p 48
- Brunsdon D, Jones DKC, Martin RP, Doornkamp JC (1981) The geomorphological character of part of the Low Himalaya of Eastern Nepal. *Z Geomorph NF* 37:25–72
- Cooke RU, Brunsdon D, Doornkamp JC, Jones DKC (1982) *Urban Geomorphology in Drylands*. Oxford University Press, Oxford, p 324
- Jones DKC, Brunsdon D, Goudie AS (1983) A preliminary geomorphological assessment of part of the Karakoram Highway. *Quart J Eng Geol Hydrogeol* 16:331–355
- Brunsdon D (1984) Mudslides. In: Brunsdon D, Prior DB (eds) *Slope Instability*. Wiley, Chichester, pp 363–418
- Brunsdon D, Jones DKC (1984) The geomorphology of high magnitude-low frequency events in the Karakoram mountains. In: Miller KJ (ed) *The International Karakoram Project 1*, Cambridge University Press, Cambridge, pp 383–388
- Brunsdon D, Prior DB (eds) (1984) *Slope Instability*. Wiley, Chichester, p 620
- Brunsdon D, Jones DKC, Goudie AS (1984) Particle size distribution on the debris slope of the Hunza Valley. In: Miller KJ (ed) *The International Karakoram Project 2*, Cambridge University Press, Cambridge, pp 536–579
- Goudie AS, Jones DKC, Brunsdon D (1984) Recent fluctuations in some glaciers of the Western Karakoram mountains, Hunza, Pakistan. In: Miller KJ (ed) *The International Karakoram Project 2*, Cambridge University Press, Cambridge, pp 411–455
- Goudie AS, Brunsdon D, Collins, DN, Derbyshire E, Ferguson RI, Hashmet Z, Jones DKC, Perrott FA, Said M, Waters RS, Whalley WB (1984) The geomorphology of the Hunza

- valley, Karakoram mountains, Pakistan. In: KJ Miller (ed) *The International Karakoram Project 2*, Cambridge University Press, Cambridge, pp 359–410
- Brunsdon D (1985) Geomorphology in the service of society. In: Johnston RJ (ed) *The Future of Geography*. Methuen, London, pp 225–257
- Brunsdon D (1985) The revolution in geomorphology: a prospect for the future. In: King R (ed) *Geographical Futures*. Geographical Association, Sheffield, pp 30–55
- Cooke RU, Brunsdon D, Doornkamp JC, Jones DKC (1985) Geomorphological dimensions of land development in deserts – with special reference to Saudi Arabia. *Nottingham Monographs in Applied Geography* 4, p 105
- Pitts J, Brunsdon D (1987) A reconsideration of the Bindon landslide of 1839. *Proc Geol Assoc* 98:1–18
- Richards KS, Brunsdon D, Jones DKC, McCaig M (1987) Applied fluvial geomorphology: river engineering project appraisal in its geomorphologic context. In Richards KS (ed) *River Channels: Environment and Process*. Blackwell, Oxford, pp 348–382
- Brunsdon D (1988) Slope instability, planning and geomorphology in the United Kingdom. In: Hooke J (ed) *Geomorphology in Environmental Planning*. Wiley, Chichester, pp 105–119
- Brunsdon D, Gardner R, Goudie AS, Jones DKC (1988) *Landshapes*. David and Charles, Newton Abbot, p 192

1990s

- Brunsdon D (1990) Tablets of stone: toward the ten commandments of geomorphology *Z Geomorph NF Suppl* 79:1–37
- Allison RJ, Brunsdon D (1990) Some mudslide movement patterns. *Earth Surf Proc Landf* 15:297–311
- Brunsdon D, Lin JC (1991) The concept of topographic equilibrium in neotectonic terrains. In: Jones ME, Cosgrove JW (eds) *Neotectonics and Resources*. Wiley-Blackwell, Chichester, pp 120–143
- Hutchinson JN, Brunsdon D, Lee EM (1991) The geomorphology of the landslide complex at Ventnor, Isle of Wight. In: *Slope stability engineering developments and applications: Proceedings of the International Conference on Slope Stability organized by the Institution of Civil Engineers and held on the Isle of Wight on 15–18 April 1991*. Thomas Telford Publishing, London, pp 213–218
- Lee EM, Moore R, Brunsdon D, Siddle HJ (1991) The assessment of ground behaviour at Ventnor, Isle of Wight. In: *Slope stability engineering developments and applications: Proceedings of the International Conference on Slope Stability organized by the Institution of Civil Engineers and held on the Isle of Wight on 15–18 April 1991*. Thomas Telford Publishing, London, pp 207–212
- Brunsdon D (1993) Mass movement; the research frontier and beyond: a geomorphological approach. *Geomorphology* 7:85–128.
- Brunsdon D (1993) The persistence of landforms. *Z Geomorph NF* 93:13–28
- Masson DG, Huggett QJ, Brunsdon D (1993) The surface texture of the Saharan debris flow deposit and some speculations on submarine debris flow processes. *Sedimentology* 40:583–598
- Goudie A, Brunsdon D (1994) *The environment of the British Isles, an atlas*. Oxford University Press, Oxford, p 191

- Brunsdon D (1995) Learning to live with landslides: some British examples. In: Horlick-Jones T, Amendola A, Casale R (eds), *Natural risks and civil protection*. CRC Press, Boca Raton, pp 268–282
- Chandler JH, Brunsdon D (1995) Steady state behaviour of the Black Ven mudslide: the application of archival analytical photogrammetry to studies of landform change. *Earth Surf Proc Landf* 20:255–275
- Griffiths JS, Brunsdon D, Lee EM, Jones DKC (1995) Geomorphological investigations for the Channel Tunnel terminal and portal. *Geogr J* 161:275–284
- Brunsdon D (1996) Geomorphologie Sans Frontières: Presidential address, 1993 International Association of Geomorphologists, McMaster University, Canada. In: McCann SB, Ford D (eds) *Geomorphologie Sans Frontières*. Wiley, Chichester, pp 1–30
- Brunsdon D (1996) Landslides of the Dorset coast: some unresolved questions. *Proc Ussher Soc* 9: 1–11
- Brunsdon D, Chandler JH (1996) Development of an episodic landform change model based upon the Black Ven mudslide, 1946–1995. In: Anderson MG, Brooks SM (eds) *Advances in Hillslope Processes*, vol. 2. Wiley–Blackwell, Chichester, pp 869–896
- Brunsdon D, Coombe K, Goudie AS, Parker AG (1996) The structural geomorphology of the Isle of Portland, southern England. *Proc Geol Ass* 107:209–230
- Ibsen ML, Brunsdon D (1996) The nature, use and problems of historical archives for the temporal occurrence of landslides, with specific reference to the south coast of Britain, Ventnor, Isle of Wight. *Geomorphology* 15:241–258
- Moore R, Brunsdon D (1996) Physico-chemical effects on the behaviour of a coastal mudslide. *Geotechnique* 46:259–278
- Dikau R, Brunsdon D, Schrott L, Ibsen ML (eds) (1996) *Landslide recognition: Identification, movement, and causes*. Wiley, New York, p 251
- Brunsdon D, Goudie AS (1997) *Classic Landforms of the West Dorset Coast*. Geogr Assoc, Sheffield, p 56
- Brunsdon D, Ibsen ML (1997) The temporal occurrence and forecasting of landslides in the European Community: summary of relevant results of the European Community EPOCH Programme. In: *Rapid mass movement as a source of climatic evidence for Holocene*. Gustav Fisher Verlag, Stuttgart, pp 401–407
- Goudie A, Brunsdon D (1997) *Classic Landforms of the East Dorset Coast*. Geogr Assoc, Sheffield, p 48
- Rivas V, Rix K, Frances, E, Cendrero A, Brunsdon D (1997) Geomorphological indicators for environmental impact assessment: consumable and non-consumable geomorphological resources. *Geomorphology* 18:169–182
- Brunsdon D (1999) Some geomorphological considerations for the future development of landslide models. *Geomorphology* 30:13–24
- Brunsdon D, Moore R (1999) Engineering geomorphology on the coast: lessons from west Dorset. *Geomorphology* 31:391–409

2000s

- Sellwood M, Davis GM, Brunsdon D, Moore R (2000) Ground models for the coastal landslides at Lyme Regis, Dorset, UK. In: *Landslides in Research Engineering and Practice*. Proceedings of the 8th ISL, Cardiff, pp 1361–1366

- Brunsdon D (2001) A critical assessment of the sensitivity concept in geomorphology. *Catena* 42:99–123
- Brunsdon D (2001) Back A'long: a Millennial Geomorphology. In: Higgitt DL, Lee EM (eds) *Geomorphological Processes and Landscape Change: Britain in the Last 1000 Years*. Wiley, Chichester, pp 27–60
- Brunsdon D, Griffiths JS (2001) Land surface evaluation: conclusions and recommendations. *Geol Soc London, Eng Geol Spec Publ* 18:241–243
- Lee EM, Brunsdon D, (2001) Sediment budget analysis for coastal management, west Dorset. *Geol Soc London, Eng Geol Spec Publ* 18:181–187
- Brunsdon D (2002) Geomorphological roulette for engineers and planners: some insights into an old game. *Quart J Eng Geol Hydrogeol* 35:101–142
- Brunsdon D (2003) Geomorphology, engineering and planning. *Geogr Pol* 76:189–202
- Brunsdon D, Badman T (eds) (2003) *The Official Guide to the Jurassic Coast: Dorset and East Devon's World Heritage Coast: a Walk Through Time*. Coastal Publications, Wareham, p 64
- Griffiths JS Hutchinson JN, Brunsdon D, Petley DJ, Fookes PG (2004) The reactivation of a landslide during the construction of the Ok Ma tailings dam, Papua New Guinea. *Quart J Eng Geol Hydrogeol* 37:173–186
- Welbon AIF, Brockbank PJ, Brunsdon D, Olsen TS (2007) Characterizing and producing from reservoirs in landslides: challenges and opportunities. *Geol Soc London, Spec Publ* 292:49–74
